MY VISIT TO THE MUSEUM

**IL CASSERO PER LA SCULTURA ITALIANA
DELL'OTTOCENTO E DEL NOVECENTO**

Today I am visiting
Il Cassero
in Montevarchi,
a museum dedicated
to sculpture.

This is the
entrance.
My steps on the
ramp might
make a noise.

In the museum
I put on my mask.
I disinfect my
hands with the gel
and measure my
temperature.

I can leave
my things in the
lockers.

I buy my ticket
at the ticket office.
The museum staff
welcome me,
they explain things
and give me information.

The visit begins
on the second floor.
To go upstairs
I can use the stairs
or the lift.

There are
many sculptures
in the rooms.

There may be
other people with me.

I can look
at the sculptures.

If I see this sign,

I can touch the
sculpture.

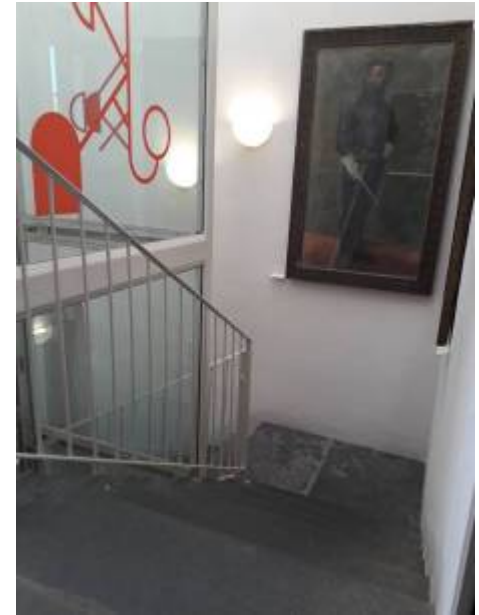

While in the rooms,
I speak in a whisper.

If I am tired,
I can rest.

I can go down
to the first floor
using the stairs or the lift.

Here,
I can find
the bathroom

and other rooms
to visit.

I go back
to the ground floor
and visit the statuary.

In the statuary
the sculptures on show
are very big.

I say goodbye
and get my things
before I leave.

I had fun at the
Cassero!
